

EPIC Roadmap for Clubs

Participating in the EPIC Day is easy!

CHAMPION

Identify a Club Champion who has time. See Role Description coming soon to the website. PEs and PENs can be a good choice... it gives them a highly visible role within the Club.

CALENDAR

Save the date ASAP, before the Club's and members' calendars fill up.
Saturday, May 17th, 2025!

JANUARY 17th

Champions can register Club on www.epicdayofservice.org starting 1/17.

PROJECT

Choose whatever service project your club wants. Champion enters it on EPIC website so members and the public can sign up to volunteer.

ENCOURAGE

- Champion launches the EPIC Day at a Club meeting in February.
- Use "all-hands-on-deck" messaging to encourage underactive members to re-engage.
- If Club is fundraising, encourage every member to send the friends & family email.
